- Developed and maintained the website using Bootstrap.
- Familiarity with design tools such as Figma.

RASHMI **JAYASUNDARA**

Profile

I am a recent graduate from the University of Colombo Faculty of Science with a focus on software engineering, and currently I am working as a software engineer intern.

As a software engineer intern, I am passionate about coding and eager to learn from experienced professionals. I possess strong technical skills in JavaScript, HTML, CSS, AWS, React, Webpack and Node.
I am a quick learner, detail-oriented, and work well in a team environment. My goal is to leverage my skills and knowledge to contribute to a Software company and continue growing as a software engineer.
